

Invitation for Bids
Floating Swim Platform
Moultonborough, NH
April 21, 2011

Addendum #1 Issued April 15, 2011

1.) There is NO change in the bid due date!

2.) Could you please tell me what the clerk's certificate is? Do I just sign the form at the bottom of page 7?

This generally applies to corporations and partnerships. It is an extract from your minutes, a specific form by the Clerk of your Board of Director's or a section of your partnership agreement in which it is demonstrated that you have the authority to submit the bid and the authority to sing a contract if offered to you.

3.) On page 5 under bid due date, it states to mark the bid Fire Boat Bid. Is this correct? Or should we mark it Floating Swim Platform?

This is incorrect and should have been corrected on that page as it was in the advertisement:

Each submitted bid should be in a sealed envelope marked, Town of Moultonborough, Floating Swim Platform, with the due date clearly marked.

4.) Under "Scope of work" # 7. This calls for a "Trade in Quote for the Existing Swim Platform". I don't deal in used docks at all. Will it disqualify me if I don't submit a bid on the used raft?

It will. You may put in anything from \$0 or up. We then compare that offer to the price we might get from those who bid on the same item at our surplus sale being conducted at the same time as this solicitation.
